

Indigenous Youth Nutrition Security: Proposal Questions

- **Organization Details**
 - Organization name
 - Mission
 - Program leadership
 - ***Please include if your organization is led by people who identify as BIMPOC or represent the communities the project is designed to serve?***
 - Current operating budget
 - Documentation of charitable status
 - Most recent form 990
 - Number of full-time equivalent staff
 - Number of volunteers
- **Program Information**
 - Program name
 - Request amount
 - Type of support requested (select gen ops OR program support)
 - Program budget (if program support selected)
 - Project description
 - Please describe how this work will build on the strengths of Indigenous communities to enhance nutrition security for Indigenous youth.
 - Program impact: How does your organization define its success and measure its impact for this program? Is it via narrative and relationships over time? Is it via metrics and research? Or both? There is no right or wrong answer to this question, we just would like to know how you experience and assess the impact of your work.
 - Program timeline
 - What other organizations and stakeholders are collaborators in this project? What roles have been defined as part of a collaborative effort? (Can replace existing “who are you collaborating question)
 - Diversity Equity & Inclusion
 - How does your program help to shift power, resources, and or access to those most impacted by systemic oppression and/or closest to the work?
 - How does your goal or project help to remedy or remove systemic barriers to resources, information, and/or nourishment?
 - How is your project designed to center the grassroots wisdom and experience of local community members?
 - Geographic reach (Where does this program operate?)
 - Communities Served & Demographic Outline (Who are the communities most directly impacted by the issues your organization addresses? Please briefly outline the demographics of the communities served by your work.)
